Feel free to use this for now, but I'd really push the local politics/policy more than the admin stuff. We have a full-time administrative hire now. I will send you a new one on Monday, unfortunately do not have time to update today.

Thank you for being so wonderful. Hopefully we find a good fit. :)

Best,
LH

Hi L,

Thank you for the email, always great seeing your name pop up in my inbox! This is the one-pager we have on file for your office. With the exception of the dates and the information you added in this email is this still accurate and up-to-date?

I will definitely keep in mind and work my hardest to find you someone great.

Best,

Tania

Hello Tania!

I know you are busy sifting through an eclectic crowd of students – wondering if you could keep South Park in mind for placements this Fall via posc 395. David will be returning, but we do need another pair of hands in the office.

A good fit would be someone interested in local politics/policy. We have a lot going on with homelessness and street vending right now — whomever joins us would be included in meetings with City Council, LAPD, Mayor's Office & grassroots' organizations. There is definitely some less glamorous help that we need around the office, but rest assured they would get a good look at city government and meet some of the players involved.

I'm running into a meeting but let me know if you need more details later. Thank you, my dear!

Best,
LH
